A Portion of It Is for You If You Wish It.

Usually our advertising on Sunday costs us a great deal. To-day, instead of taking a full page or half page advertisement, we have reduced the space of our general announcement to 2 columns, and thereby will save at least \$2,000. We propose to try this experiment, not for the purpose of saving money, but to have \$2,000 that we can actually give our customers on Monday instead of giving it to the newspapers. Every one of the prices below have been deliberately cut with the intention of saving for the public on one day's sales the amount which we would otherwise pay for publicity. If you are here Monday, YOU CAN SAVE YOUR SHARE OF THIS SUM. We propose with even this small advertisement to do the largest Monday's business of the Spring, if the people appreciate money-saving, as we think they do in these times. Remember, The Big Store always sells "Better Goods for Less Money Than Any Other House in America."
